Any exhibitor who wishes to work late, that is beyond the hours of the official show contractor, will be required to hire union personnel to work within their booth. Further more, you will incur the cost of one foreman and one laborer in addition to the number of workers hired to set up your exhibit. Union work rules require an onsite foreman and laborer to be present during all working hours of the facility. The rules stated above apply to Exhibitors working within their booths and those who need to erect/dismantle displays and anything else that falls under the carpenter's jurisdiction. It also applies to the movement of any freight. Please refer to page 13 in your guidebook for a detailed description of union work rules and jurisdictions. If you, or your display house, trimmer, need to work beyond the scheduled time you must contact GES for approval. If granted you will then incur labor charges per the regulations stated above.

However, UPS, Federal Express & DHL packages must be claimed by the Exhibitor from the Secured Storage office in room 1C02. Packages may be retrieved from 8am to 5pm on Friday and Saturday. Security

The official Move-In hours are: Friday August 2, 1pm- 6pm and Saturday August 3 8am- 6pm at the Javits Center. The Exhibition hours are Sunday- Tuesday, from 9am-6pm (until 5pm on Tuesday). Please be advised that Javits workers and Exhibitors may be working beyond the scheduled Move-in hours. On show days, between 7am-6pm (6am-6pm on the first Show day), Javits workers and Exhibitors will be walking around the Exhibit Hall. Additionally, starting at 8:30am, Retailers who have early appointments will be allowed to enter the Exhibit Hall.

For this specific reason, we strongly advise that you lock up all your merchandise when your Booth is not occupied. ENK provides a complimentary Storage Room in room 1C03 for that purpose. If you do not wish to utilize ENK's Storage Room, you may hire a private guard from Citadel Security. All merchandise checked into the Storage Room must be secured in a properly labeled box, suitcase/garment bag. A Citadel Security Guard will log in your box, suitcase or garment bag when you check it into the Storage Room. *Security does not count the contents of the bags being stored.* When picking it up the Citadel Security Guard will log it out. The Exhibitor picking up items checked into the Storage Room must wear their Exhibitor Badge and have the Security-issued receipt or it will not be released.

You would be well advised NOT to leave samples, prototypes, completed order forms or personal items, such as briefcases in your Booth overnight. Each Exhibitor is responsible for the security of their merchandise, display, etc. Move-In and Move-Out are highly vulnerable periods; pay special attention to items easily pilfered; place them in locked containers where you can watch them.

ENK will have professional perimeter guard service within the facility throughout Move-In, Show Hours and Move-Out. If an incident does occur, do not leave the premises without making a report to the Citadel Security Supervisor. Please bring any security risks you see to their attention.

In order to make sure Exhibitors and all other guests have exited the Javits, our security team will begin their "security sweep" promptly at the close of the show. Please leave the Show floor promptly when the security sweep staff reaches your Booth.

This Exhibition is an open Booth show and you are responsible for the security of your Exhibit Space and merchandise. In an attempt to reduce the risk of having any of your merchandise stolen during the course of the Exhibition, we advise that you pay attention to all visitors entering your Booth, especially when your Booth is busiest. Small, light items displayed on the edges of tables or shelves are easy targets, if unprotected. Large groups of guests entering your Booth at the same time can create confusion and distraction. Please pay special attention!

At the close of the Exhibition, do not under any circumstance; leave your merchandise unattended whether secured in a box, etc. ENK recommends that you wait with your boxes until your shipper picks them up no matter what you are advised by anyone else. All merchandise, samples, etc. must be removed from the Facility on the last show day within two hours of show closing. The Facility will be unguarded after 8pm.

Don't Leave Anything Behind: So that you don't accidentally leave anything at The Javits, once you are packed and your vehicle is loaded, take a moment to look around your booth space, around the vehicle, etc. Please note that anything left in the Facility the last day of the Show will be discarded.
