As your tradeshow partner, our goal is to provide you with hassle-free service so you can get on with your show. Even if you use an Exhibitor Appointed Contractor, you should have a basic working knowledge of the Exhibitor Services Manual contents and information.

By following the information below, you will enjoy a smooth trade show experience.

Ordering Trade Show Services

- Please include your complete customer information on each order form including address with zip code, phone and fax numbers, e-mail addresses, company, and contact name and most importantly, booth number. If you have multiple booth locations, please complete separate order forms for each location (booth, meeting room, etc.).
- Please ensure that the credit card information is complete and correct including the expiration date.
- When ordering carpet, draped tables or counters remember to select the colors you desire.
- Please make sure that the size of the carpet you order is appropriate for your booth space (e.g.; do not order a 10' x 20' carpet for a 10' x 10' booth).
- Keep the total square footage of your booth space in mind when you order your decorating items. Don't order more than will comfortably fit in your booth and still allow you to do business.

Inbound - Move In

- Confirm your furnishings orders with the GES National Servicer[®] www.ges.com/chat. You should receive a confirmation of your order within 3-5 days of placement.
- **Confirm target dates with GES and communicate them to your carrier. Refer to the Special Handling brochure to ensure that you do not incur special handling charges. You may want to share this brochure with your carrier.**
- Keep the phone number of your carrier with you, including weekend contact and tracking numbers.
- Have your hotel information available, including phone number, address etc.
- After emptying crates, place empty labels on all sides of your crates and cases. Remember to remove old empty labels. Additionally, empty labels are sometimes color coded, so make sure you get the correct color and be sure your booth number is on each label.

Showsite

Put together a trade show survival kit to include in your freight or carry with you, including:

- Small Tool Kit
- Stapler, Scissors, Tape
- Pens & Markers for labels
- First Aid Kit
- Bottled Water

Work Zone

- Customer acknowledges that the show site and surrounding areas are active work zones. Customer, its agents, employees and representatives are present at their own risk.

Outbound - Move Out

- Keep in mind, the return of empty containers varies depending on the size of the show, so coordinate your outbound flight to accommodate this. GES does not provide security at show site. It is the Customer's responsibility to stay with their property. GES is not responsible for loss or damage to property left in the Customer's booth at any time for any reason.

Payment Policy

Payment for Services — GES requires payment in full at the time services are ordered. Further, GES requires that you provide a credit card authorization with your initial order. For your convenience, we will use this authorization to charge your account for services, which may include labor, material handling, or any applicable fuel or energy surcharge.

Discount Prices — To qualify for discount pricing, orders must be received with payment on or before the discount price deadline(s).

Method of Payment — GES accepts MasterCard, Visa, American Express, check and bank wire transfer. Purchase orders are not considered payment. All payments must be made in U.S. funds drawn on a U.S. Bank. Exhibitors will be charged a \$50.00 fee for returned NSF checks.

Third Party Billing — Each exhibiting firm is ultimately responsible for all charges incurred on its behalf. GES reserves the right to institute collection action against the exhibitor if the authorized third party does not pay. See *Third Party Billing Request* form.

Tax Exempt — If you are tax exempt in the state in which you will be exhibiting, you must provide a Sales Tax Exemption Certificate for that state. Please send the above information to the GES office for this show. Taxes vary by location and will be added to your invoice, if you do not submit your tax exempt certificate prior to the deadline.

Adjustments and Cancellations — No adjustments to invoices will be made after the close of the show. Please refer to the individual forms for labor, etc., for cancellation fees. All orders cancelled by the Exhibitor or due to the cancellation of an event or their non-participation may be subject to cancellation fees equal to 50% - 100% of the total order, based upon the status of move-in, work performed and/or GES set-up costs or expenses. A minimum non-refundable deposit of \$25.00 will be applied towards the invoice, unless there is a cancellation of your order. Union Information

To assist you in planning your participation in your Las Vegas area show, we are certain you will appreciate knowing in advance that union labor will be required for certain aspects of your exhibit handling.

Please refer any questions you may have to an on-site GES Management employee. We will be happy to assist you in any way possible.

Teamsters Union

Exhibit Labor

Teamsters Union Local #631 has jurisdiction through a labor agreement with Global Experience Specialists, Inc. (GES) for the erection, touch-up painting, dismantling, and repair of all exhibits when this work is done by persons other than your full time company personnel. This work is to include wall coverings, floor coverings, pipe and drape, painting, hanging of signs and decorative materials from the ceiling, placement of all signs and the erection of platforms used for exhibit purposes.

Local #631's jurisdiction does not cover the placement of your products on display, the opening of cartons containing your products, nor the performance, testing, maintenance or repairs of your products. If full-time company personnel are utilized to set an exhibit, they should carry positive company identification, such as a medical identification card or payroll stub. This rule prohibits the utilization of workers hired from a non-union agency or company. To secure labor, please utilize the GES labor forms enclosed.

Freight Handling

Teamsters Union Local #631 has jurisdiction through a labor agreement with Global Experience Specialists, Inc. (GES) for the loading and unloading of all trucks, trailers and common and contract carriers as well as the handling of empty crates and the operation of material handling equipment. It also has the jurisdiction of the unloading, uncrating, unskidding, leveling, painting and assembly of machinery and equipment as well as the reverse process.

Global Experience Specialists, Inc. (GES) has the responsibility of receiving and handling all materials and empty crates. It is our responsibility to manage docks and schedule vehicles for the smooth and efficient move-in / move-out of the trade show. Global Experience Specialists, Inc. (GES) will not be responsible for any material it does not handle.

An exhibitor may hand carry material provided they do not use material handling equipment to assist them. When exhibitors choose to hand carry material, they may not be permitted access to the loading dock / freight door areas.

Electrical Union

Electricians do electrical work, electrical sign hanging, and lighting without dimmers. Electricians always hang electrical hanging signs including rotating and header. Video monitors and plasma screens are installed by electricians unless a live feed is required.

In the case of live feed requirements, Stagehands must perform the work. Electricians distribute power from the source to the booth space.

An exhibitor may plug lights into one extension cord or multi-strip plug (up to 6 plug-ins) at the back or side of the booth as long as the manufacturer cord reaches from the light fixture to the outlet and the power source needed for the lights does not exceed (1) 20A/120AC.

Electricians must be called for distribution of power and hook-up for total combined wattage within booth space exceeding 1 (one) 20A / 120VAC outlet including concealed and over/under carpet wiring. Electricians distribute and hook-up all 208V and 480V power. Electricians hoist Teamster assembled signs weighing 300 lbs. or greater at LVCC. SES hoists signs weighing 200 lbs. or greater at the Sands Exposition.

Trusses

Ground supported, stand alone, whose sole purpose is overhead distribution of electrical equipment is to be installed and removed by the electricians.

Suspended trusses, with motorized hoist and non-dimmable and non-programmable lights are electrician's work.

Stagehands

Stagehands handle programmable theatrical lighting, production, related rigging, and audio-visual. Suspended trusses with or without legs, that contain dimmable or programmable lighting, studio or motion picture lighting, sound system projectors, video wall, special effects equipment, and laser lighting are to be installed and removed by the stagehands. If the above list of equipment is not present on the truss, then it is either Teamster or Electricians as stated above. Meeting room ground support truss with Stagehand's equipment is Stagehand's responsibility.

Gratuities

Our work rules prohibit the SOLICITATION OR ACCEPTANCE of tips in cash, product or gifts in kind by any employee (union or non-union). Our employees are paid appropriate wages denoting professional status, therefore tipping of any kind is not allowed.

Work Zone

Customer acknowledges that the show site and surrounding areas are active work zones. Customer, its agents, employees and representatives are present at their own risk.

- Hanging items from Booth:** Customer shall not hang any articles, merchandise, product, advertisements, or other similar items from GES supplied booth materials (this includes but is not limited to GES panels or pipe and drape), utilized in Customer's own booth set up or in areas occupied by the show organizer or third parties. If Customer does hang any prohibited items, Customer alone shall be held liable for any damages, costs, actions or injuries resulting from the hanging of such item(s). GES shall have no liability for any damages, costs, actions or injuries arising out of Customer's failure to comply with this provision.

VII. Measure of Damage

VIII. Miscellaneous

- Insurance. GES IS NOT AN INSURANCE COMPANY AND DOES NOT OFFER OR PROVIDE INSURANCE.** It is the obligation of Customer to ensure Goods are insured at all times. Loss or theft of the Goods in storage or in transit to and from the show and or while on the show floor is the sole responsibility of Customer. GES recommends Customer arrange for all Risk Coverage.

- Filing of Claim:** Any claim for loss or damage to Goods must be in writing, containing facts sufficient to identify the Goods, asserting liability for alleged loss or damage, and making claim for the payment of a specified or determinable amount of money. Such claim must be filed with the appropriate party within the time limits specified herein. Damage reports, incident reports, inspection reports, notations of shortage or damage on freight bills or other documents, do not constitute filing of a claim. Claims for Goods alleged to be lost, stolen or damaged at the Show Site must be received in writing by GES within thirty (30) days after the close of the show. Claims for Goods alleged to be lost or damaged during transit must be received by the responsible party within nine (9) months of date of delivery of Goods. GES Logistics subcontracts the movement of Goods to third party carriers. Claims for damage in transit should be made directly with your carrier as shown on the Material Handling form/ Bill of Lading. In the event of a dispute with GES, Customer will not withhold payment or any amount due GES for Services as an offset against the amount of the alleged loss or damage. Customer agrees to pay GES prior to the close of the show for all such charges and further agrees that any claim Customer may have against GES shall be pursued independently by Customer as a separate action to be resolved on its own merits. GES retains the right to pursue collection on amounts owed after show close, without regard to any amount alleged to be owed for damage, or loss.
- Filing of Suit:** Any action at law regarding loss or damage to Goods must be filed within one (1) year of the date of declaration of any part of a claim (logistics claims excluded).

X. Advanced Warehousing/Temporary Storage/Long Term Storage

All terms and conditions relative to Advanced Warehousing/Temporary Storage/Long Term Storage are contained in separate agreements titled "Storage Agreement". In the event that a Storage Agreement is not executed between the parties, the following shall apply with respect to GES' liability for Customer Goods. The responsibility of GES with respect to Customer Goods is limited to the exercise of ordinary care and diligence in handling and storing of Customer Goods. GES shall be liable only for loss or damage to Goods caused by GES' sole negligence. GES' liability is limited to \$.60 (USD) per pound with a maximum liability of \$100.00 (USD) per container, or \$1,500.00 (USD) per shipment whichever is less. In case of partial loss or damage, the maximum liability shall be prorated based on weight. GES is not responsible for any loss or damage to Goods caused by, but not limited to fire, theft, the elements, vandalism, moisture, vermin, mechanical breakdown or failure, freezing or changes in temperature, as well as any other causes beyond GES' immediate control. GES is not responsible for the marring, scratching or breakage of glass or other fragile items. GES is not liable for the mechanical functions of instruments or appliances even if such articles are packed or unpacked by GES. In no event shall GES be liable for special, incidental, indirect or consequential damages, including business loss of any kind, resulting from any damage to or loss of the Goods or from any act or failure to act. Customer pays storage fees or costs for advance warehousing for use of the space only. There is no guarantee of security or representations made by GES as to appropriateness of the conditions for Customer Goods. The risk of loss remains Customer's alone and GES recommends the Customer carry and maintain insurance in amounts sufficient to cover its risk.
